Other Local Hotels

The hotel information on page 3 of this document was obtained on the Connecticut Motor Club aka the AAA website. The prices quoted are AAA member prices as of September 27, 2008. Prices as you know may change, and you may be able to negotiate for the same or lower price with the hotel when you call in to register. Often the hotels have the same or similar discount rates for government employees, or members of the entertainment club, or other motor clubs. From there follow the page instructions to choose a hotel site. I suggest enter Shelton, Connecticut and range it 10 miles. You will get results that include all of the hotels in nearby within 5 to 10 minutes away from the class site.

This will give you updated results.
